

Introduction to Sibelius

This workshop is for those who are new to the Sibelius notation software. Topics to be discussed will include; page setup, instrument selection, various ways of inputting notes and symbols, page navigation, the toolbar, MIDI setup, setting up preferences, and your questions.

Participants should have an understanding of what they intend to use Sibelius for in order to focus discussion in the direction that will be most helpful.

Class size is limited to eight*

Additional workshops will be planned if there is interest

When: Thursday August 26, 2010, 10:30 a.m. - 2:30 p.m.
(there will be a one hour break for lunch)

Where: Colorado Academy, Denver, Colorado

Cost: \$50 payable in advance to Brian Golden

Please refer any questions to **Brian Golden** at brian.golden@coloradoacademy.org or call 303-914-2552 x 2640.

The workshop will be held in the lower level of **Schotters Music Center**, located in the center of the campus of **Colorado Academy**. Colorado Academy is located on South Pierce, off of Hampden, between Wadsworth and Sheridan.
